

## How to pre-enrol for JEMES Master:

- **First you will have to register to get an “NIA”** (Student Identification Number). To do so, click on [this link](#) and follow the instructions.
- Once you have your NIA, **you can pre-enrol and attach the documentation yourself via Internet**. Click on [this link](#) and follow instructions.

However, before doing so, you will need to collect and scan the following documentation:

- [application form](#) (completed and signed).
- curriculum vitae / resume.
- statement of purpose (one to two pages), including your reasons for undertaking graduate work in the chosen field.
- officially authenticated copy of bachelor's degree certificate or equivalent, including your aggregate mark or grade average and your overall rank in class, with explanation of grading system (maximum grade, minimum passing grade, etc.).
- officially authenticated copy of complete university transcript of records (semester mark sheets), listing your subjects and grades.
- if not native English speaker: valid IELTS (with a minimum score of 6.5) or TOEFL (minimum 550 paper based, 213 computer based, 79 web-based) score report or a Cambridge Certificate of Proficiency in English or Cambridge Certificate in Advanced English. Further information is available at [www.ielts.org](http://www.ielts.org) and [www.ets.org/toefl](http://www.ets.org/toefl). Native English speaker countries: United States, Australia, United Kingdom, New Zealand and Ireland, and check with the coordinators for Malaysia and African countries.
- two letters of recommendation must be submitted from faculty members acquainted with the applicant's work in the major area of undergraduate study. If that work occurred some time ago, recommendations from those familiar with the applicant's professional performance are acceptable as well.

If you do not yet have the degree because you are still completing the course, you must declare this in the “Situation of previous studies” section, indicating the number of credits passed and the total number of credits you still have to take to gain the qualification.

During the online pre-enrolment process you must indicate (last step) at which university would you like to enrol as first institution.

## **Special regulations**
